Language Requirements	Although students are not required a specific level of proficiency in Portuguese language, all exchange students must take a placement test in order to confirm his/her knowledge of Portuguese on the first day of classes. All exchange students are required to take the Portuguese course during regular academic term even if they apply to classes taught in English.
	Students also have the opportunity to take an Intensive Portuguese as a Second Language course before the regular semester begins, although this course is not mandatory.
Pre-Term Portuguese as	Pre-Term Portuguese as a Second Language Intensive Course, held before the regular semester, will not be included in the student's transcript even if he/she enrolls in the regular semester. Instead, students who take the Pre-Term Portuguese as a Second Language Intensive Course will receive a certificate of completion indicating the course date, student's grade and level of Portuguese taken. The Portuguese language courses are offered at five different levels: from very basic to
a Second Language Intensive Course	the advanced levels. Each student will take a placement test to confirm his/her exact knowledge of Portuguese. This course aims to develop the student's written and oral skills in Portuguese, preparing international students to attend regular courses at the university during the subsequent academic terms.

	We assist students with special needs through our work closely with the Center for People with Disabilities – NAIPD. http://www.puc-rio.br/sobrepuc/admin/vrac/rae/			
	The NAIPD works directly with the CVI (Central of Independent Life).			
Support for Disabilities	In case of students with learning disabilities, we have to contact their professor to inform their necessity. We can also help the students that need some extra time to take test, or exams or different kind of computer program etc.			
	We cannot provide a Note Taker, but we can help the student to find a volunteer colleague to help him/her in this matter.			
Internship	Exchange students are able to do internship in Rio de Janeiro. However, they need to be studying at PUC-Rio and we strongly recommend them to inform CCCI as well as CCESF (Internship Coordination Office) concerning this matter. Please contact the Incoming Coordination: incoming@puc-rio.br			
Volunteer Work	Community projects/services organized by PUC-Rio. http://www.puc-rio.br/sobrepuc/admin/vrc/respuc/index.html
