OVERVIEW OF IU STUDENT EXCHANGE and STUDY ABROAD PROGRAM

IU STUDENTS EXCHANGE and STUDY ABROAD PROGRAMS (IU-SEaSAP)

1. IU STUDENT EXCHANGE PROGRAM

- **Incoming Exchange Program:** IU offers international students an opportunity to explore academic interests and improve cross-cultural understanding by taking one or two semesters at IU. Students enrolling in these programs will not be awarded a degree from IU; however, they can transfer credits to their home university upon completion of their study in Vietnam.
- **Outgoing Exchange Program:** IU students are provided with a chance to earn valuable international experience and cultural awareness by involving in the study at one of IU's partner institutions around the globe in one or two semesters. Students enrolled in these programs will not be awarded the degree from the partner university; however, they can transfer credits to IU upon completion of their study overseas.

2. STUDY ABROAD PROGRAMS

- **Incoming Study Abroad Program:** a regular full tuition program for international students whose home university is not an IU partner or students who are not selected for the exchange program. Students enrolling in this program are responsible for paying the tuition fee to IU.
- **Outgoing Study Abroad Program:** a regular full tuition program for IU students who desire to study at non-IU exchange partners or students who are not selected for the exchange program. IU students going on this program should pay tuition fees to the host university.

STUDY TOUR PROGRAM / FACULTY-LED PROGRAM

The faculty-led/non faculty-led program is customized to provide participants with cultural experiences, academic opportunities, closely address participants' interests as well as bring them closer to values which just can be found in Vietnam.

Basically, IU offers tailor-made study tour program for a duration from 01 to 02 weeks. Please contact us for further details.
