BEIJING NORMAL
UNIVERSITY
SUMMER CHINESE
LANGUAGE PROGRAM

PROGRAM INTRODUCTION

The Beijing Normal University Summer Short-Term Chinese Language Program, distinguished by its structured, small-class teaching approach, is now open for enrollment! Led by experienced faculty from the School of International Chinese Language Education, the program is designed to help students make significant progress in their Chinese proficiency within a short time frame. Through a dynamic combination of instruction and practice, as well as an engaging, student-centered learning environment, the program fosters linguistic competence, enhances communication skills, and deepens students' understanding of Chinese culture.

PROGRAM HIGHLIGHTS

Integration of Instruction and Practice with a Student-Centered Approach

Emphasis on Cultural Immersion, Combining Language and Culture

Engaging Pedagogy with Diverse and Interactive Learning Activities

PROGRAM SCHEDULE

The program is offered throughout June and August each year, with six-session options. Applicants may choose a session that best fits their schedule.
