

KAZAKH-BRITISH TECHNICAL UNIVERSITY

Leading International Technical
University of Central Asia

<https://kbtu.edu.kz/en/>

ABOUT KBTU

- ✓ Established in 2001, located in Almaty, Kazakhstan
- ✓ More that 7000 students
- ✓ English language of instruction
- ✓ 10 Schools

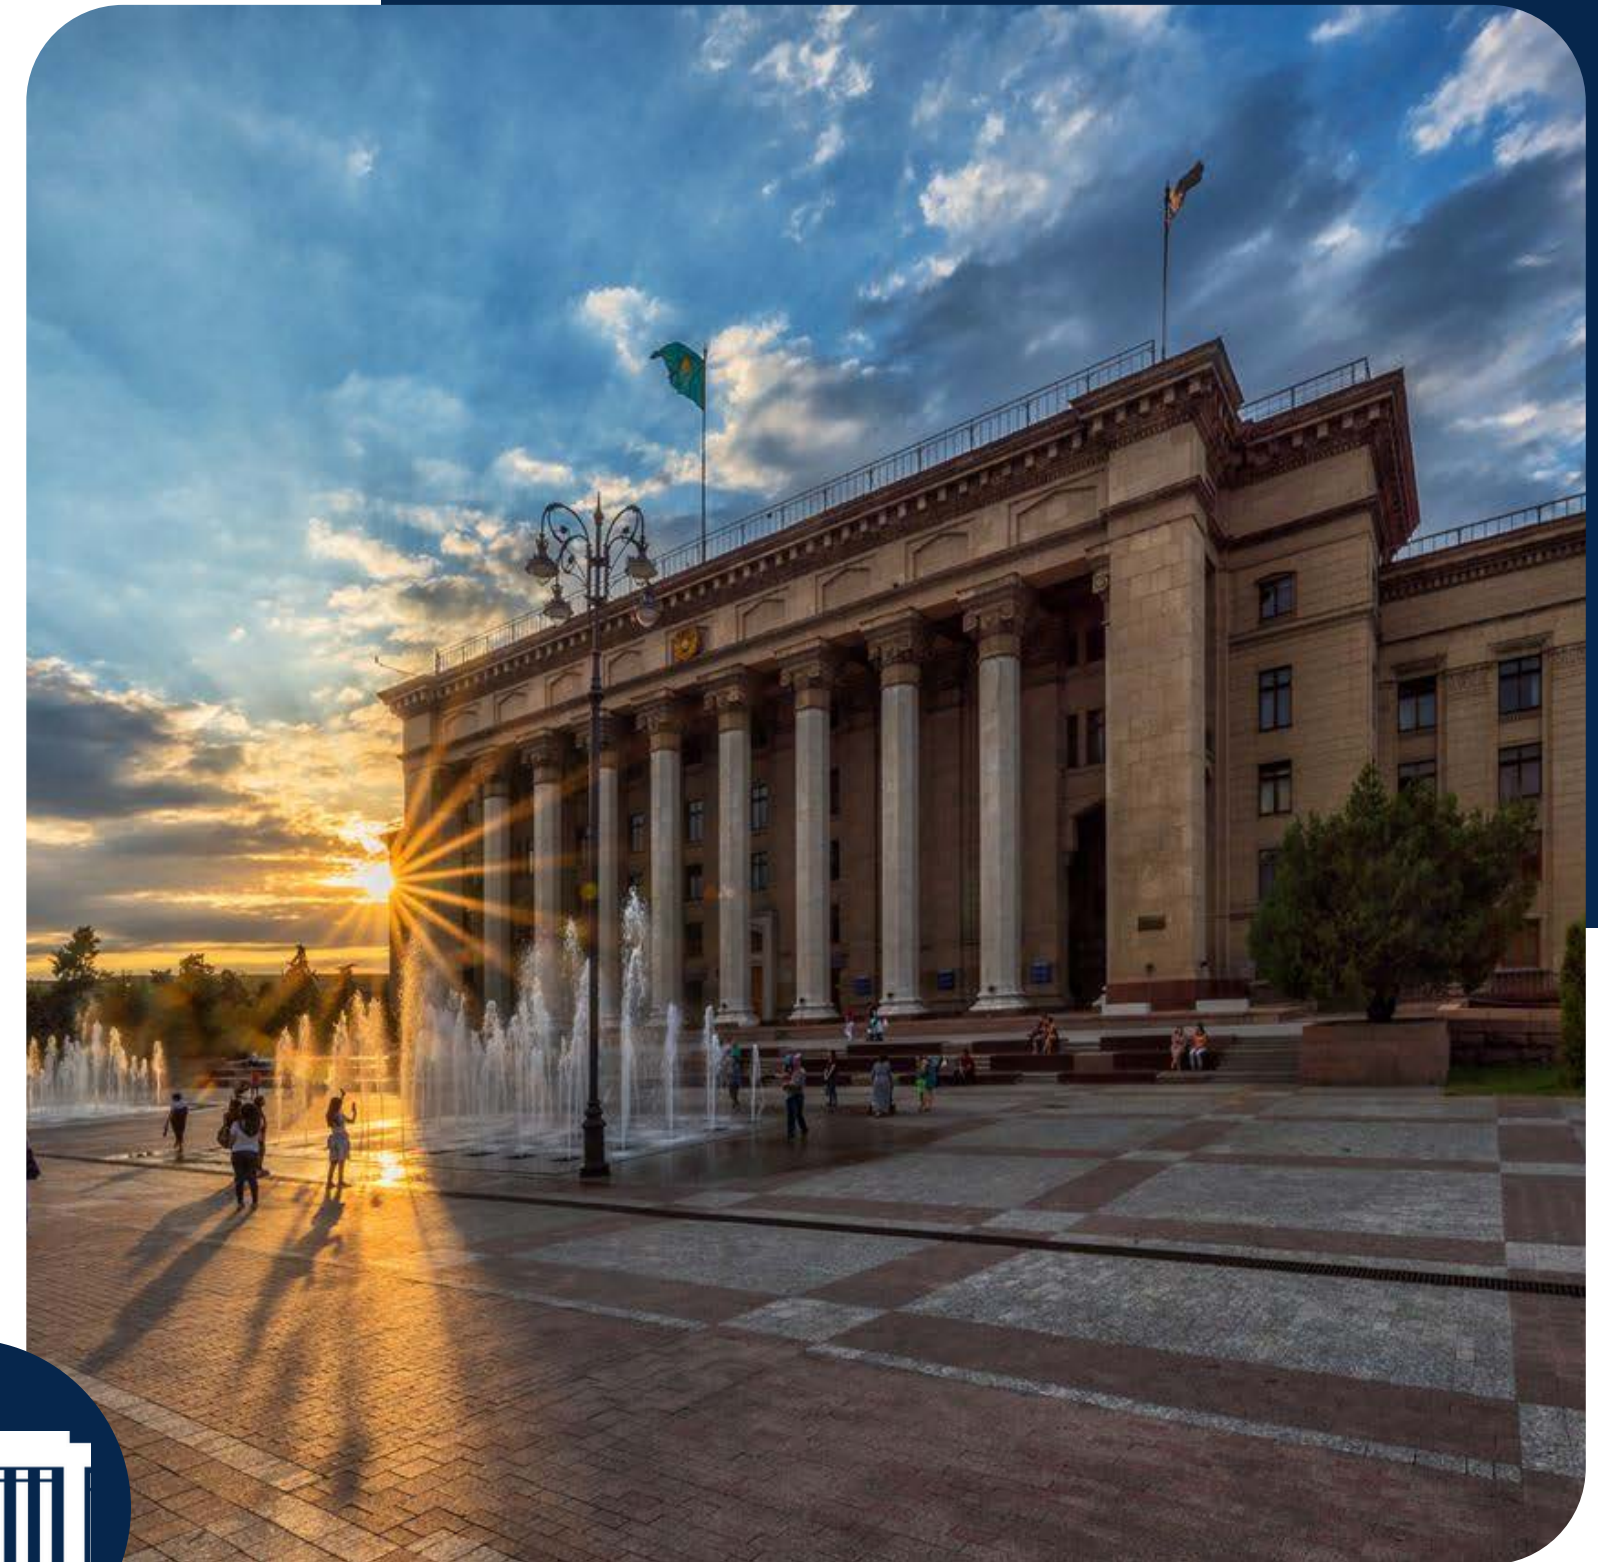

Our Vision & Mission

Vision

Leading International Technical University of Central Asia

Mission

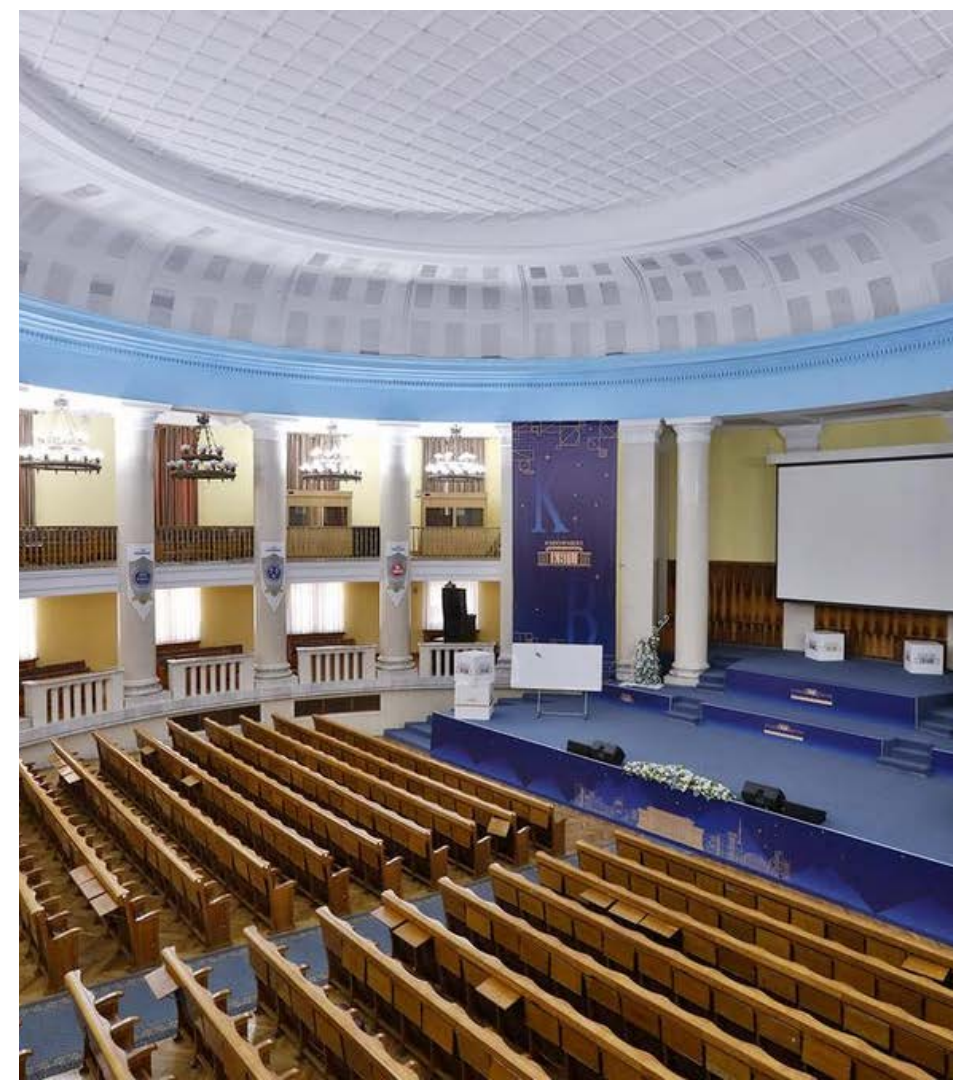

Development of new competencies in the field of engineering, social and humanitarian areas through innovation, research and the introduction of international education standards

A Campus with Heritage

- Significant architectural monument in Almaty.
- Former Government Building
- Originally served as the government building during the Soviet era
- Holds historical value as a center for political and administrative decisions in Kazakhstan.

Almaty – The Heart of the Continent

- Cultural Center of Kazakhstan
- Unique Nature
- International City
- Economic Hub of Central Asia

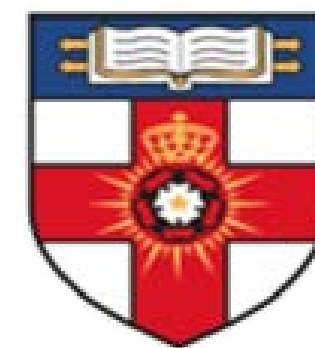

Almaty

DOUBLE DEGREE PROGRAMS

- Undergraduate programs with University of London
- École Nationale Supérieure des Mines de Saint-Étienne double degree program MS in Chemical Engineering
- Joint Program with ISM in Master of Business Administration
- Kozminski University double degree program BS in Finance
- Bachelor "Petroleum Engineering" with China University of Petroleum (East China)
- Undergraduate - Business and Management (Business School) with University of London

ENERGY AND PETROLEUM
INDUSTRY

Bachelor's degree
Petroleum Engineering

Master's degree
Petroleum Engineering
Industrial project management and
engineering (under agreement with Agip
Karachaganak B.V. and EniCorporate
University S.p.A.)

Doctorate
Petroleum Engineering

SCHOOL OF GEOLOGY

Bachelor's degree

Geology and
exploration of mineral
deposits

Master's degree

Geology and
exploration of mineral
deposits

Laboratories and Software

Laboratory of Regional Geology,
Tectonics and Geodynamics - Laboratory
of Mineralogy, Crystallography and
Petrography

- Laboratory of Geology, Geophysics,
Modeling and Hydrodynamics
- Laboratories of related faculties
- Cabinet of Engineering Geology and
Geodesy
- Schlumberger
- Micromine
- Emerson

Materials science and technology of new materials

Metallurgy

KBTU LABS

International Students

Countries: China, Russia, Morocco, Germany, Malaysia, Mongolia, Egypt and others.

More than 200 international students

Student should first contact the Exchange Coordinator at home university.

E-mail for nomination:

s.pak@kbtu.kz

Nominationa deadlines:

Fall semester: March 30

Spring semester: October 10

Academic calendar

2026/2027:

Fall Semester: September

1 - December 30 2026

Spring Semester: January

15 – May 20 2027

Incoming Mobility
2026-2027 Academic
year

Inbound Exchange Entry Requirements

- Minimum 1 year of full-time study at home university
- GPA (Grade Point Average) of 2.8
- English Language Proficiency level in accordance with KBTU requirement when English is not the first language (IELTS B2 or its equivalent in other English language proficiency test). It would be waived for the students from English medium institutions.
- If the student does not have the score of English language proficiency level, the certificate issued by home university's language center is possible.
- The student will study at KBTU for a semester and pay tuition fees to their home university

Support for International Students

Visa Assistance

Guidance through the visa application process and renewal support

Adaptation Support

Orientation programs, campus tours, and mentorship for a smooth transition

Events and Activities

Regular cultural and academic events to foster integration and community building.

Support for International Students

KBITU Dormitory

The residential complex, located in an area with well-developed infrastructure, spans over 1 hectare. Nearby, you can easily find supermarkets, ATMs, pharmacies, bus stops, and much more.

The dormitory also provides dining options. There are cafeterias and snack bars where students can enjoy affordable and tasty meals.
