ACADEMIC RECOGNITION PROCESS FOR OUTGOING EXCHANGE STUDENT MOBILITY

1. Initiation of Recognition Process

The academic recognition process for Erasmus mobility activities is automatically initiated once the student returns and submits all final documents, including the Statement on the further processing of their documents.

2. Submission of Documents

Upon completion of their Erasmus period abroad, the student submits the following to the Department of International Cooperation:

- The official Transcript of Records issued by the host university.
- The Statement outlining the student's consent and instructions for the processing of their academic documents.

3. Document Distribution

The Department of International Cooperation forwards a copy of the Transcript of Records and the Statement to the Department for Educational Process Organization. This department coordinates with the relevant Institute or Faculty to proceed with the recognition process.

4. Preparation of Draft Recognition Order

The Department for Educational Process Organization prepares a draft Order on academic recognition based on:

- The Learning Agreement tables approved prior to mobility.
- The Transcript of Records provided by the host university.

5. Verification and Final Approval

The draft Order is sent to the respective Institute/Faculty for review. The Institute/Faculty:

- Verifies the alignment of completed courses with the Learning Agreement.
- Signs and finalizes the Order to formally recognize the academic credits earned abroad.

6. Completion of Recognition Process

Upon final approval, the academic recognition is officially recorded in the student's academic records, ensuring proper credit transfer and inclusion in the student's curriculum.
