

**Rules for Visa and Migration Support
and Compliance With Russian Federation Migration Law
for International Students (Foreign Citizens and Stateless Persons)
at National Research University Higher School of Economics in Moscow**

1. General Provisions

1.1. The Rules for Visa and Migration Support and Compliance With Russian Federation Migration Law for International Students (Foreign Citizens and Stateless Persons) at the Moscow Campus of National Research University Higher School of Economics (hereinafter referred to, respectively, as the “Rules,” “international students,” and “HSE University” or the “University”) establish the procedures for compliance by international students with the applicable migration legislation of the Russian Federation.

1.2. For the purposes of these Rules, the term “international students” shall refer to foreign citizens and stateless persons who:

1.2.1. are pursuing studies under Bachelor's, Specialist, Master's, and doctoral degree programmes at HSE University;

1.2.2. are pursuing studies under preparatory and continuing professional development (CPD) programmes.

**2. Entry of International Students
to the Russian Federation for Educational (Study) Purposes**

2.1. An international student who is required to obtain a visa for entering the Russian Federation shall enter on the basis of a regular educational (study) visa and shall indicate the purpose of their entry as “study” (in Russian: “учеба”) when filling out a migration card upon crossing the Russian border.

2.2. An international student who is not required to obtain a visa for entering the Russian Federation (hereinafter, entry “under the visa-free regime”) shall also indicate the purpose of their entry as “study” (in Russian: “учеба”) when filling out a migration card upon crossing the Russian border.

2.3. The pursuit of studies by foreign citizens (stateless persons) who have indicated a different purpose for their visit and/or different purpose for their entry is permitted only in those instances expressly provided for by current Russian Federation legislation.

2.4. International students who are enrolled in degree programmes that are conducted entirely through the distance-learning mode of study shall not therefore enter the Russian Federation for the purpose of pursuing studies at HSE University.

2.5. An international student must take the following actions within 10 working days after their entry to the Russian Federation:

2.5.1. take part in orientation activities organised by HSE University for facilitating international students’ adaptation to their new environment, or personally visit the Visa and Registration Centre under the Office of Internationalisation at HSE University (hereinafter,

the “Visa Support Centre” or “VSC”) in order to obtain information on the requirements of Russian Federation migration legislation. Lists of such activities and their timetables will be posted to the HSE University corporate website (portal) at: istudents.hse.ru, and will then be forwarded to international students at the email address indicated upon registration in the respective applicant’s personal account, or at the relevant corporate email address under the edu.hse.ru domain;

2.5.2. read and familiarise themselves with the information posted on the HSE University corporate website (portal) at <https://ivisa.hse.ru> concerning the consequences for violating Russian Federation migration law;

2.5.3. provide copies of their migration card and their visa, and, if available, the detachable tear-off section of the notification form on the arrival of a foreign citizen (or stateless person) at their place of stay (hereinafter, the “registration slip”) to the Visa Support Centre by personally visiting the VSC or sending the relevant documents via email to: visa-registration@hse.ru, or via the Migration Registration section on the HSE App X mobile app.

2.6. Throughout their stay in the Russian Federation, international students must:

2.6.1. comply with all the rules and procedures established by Russian Federation law and by HSE University’s internal bylaws, including:

2.6.1.1. adhering to the rules for entering and staying in the Russian Federation;

2.6.1.2. ensuring that the purpose for entering the Russian Federation declared by the given international student corresponds to their actual activities and occupation during their period of stay in the Russian Federation;

2.6.1.3. adhering to the rules for undergoing migration registration and selecting one’s place of stay/place of residence;

2.6.1.4. adhering to the rules for travelling internally within the Russian Federation;

2.6.1.5. adhering to the rules for filing notifications confirming their place of stay/place of residence in the Russian Federation;¹

2.6.1.6. adhering to the rules and deadlines established for extending the period of temporary stay of international students who have entered the Russian Federation under the visa-free regime, as well as the deadlines for the provision of other documents;

2.6.1.7. adhering to the rules for departing from (exiting) the Russian Federation upon the expiration of their period of stay therein;

2.6.2. duly notify the Visa Support Centre of the following events or circumstances by visiting it in person, or by sending the relevant documents to visa-registration@hse.ru, or via the Migration Registration section on the HSE App X mobile app:

2.6.2.1. immediately notify the VSC without delay concerning any changes in their personal data,² including in cases where technical errors made previously have been rectified, with attached copies of the respective confirmation documents;

2.6.2.2. notify the Visa Support Centre concerning their plans to leave the Russian Federation with subsequent re-entry to the Russian Federation, they must notify the VSC no

¹ For foreign citizens (stateless persons) who hold a temporary residency permit in the Russian Federation.

² Last name, name, patronymic/middle name (if applicable); date and place of birth; sex; citizenship; passport type and details, or details of other document confirming the foreign citizen’s identity (ID document); type and details of the document confirming the right to stay in the Russian Federation; registration address at the place of stay or place of residence; address of the actual place of stay or place of residence; information on legal representatives (e.g., parents, guardians, sponsors); replacement of passport, or changes in other personal data.

later than two (2) days before the planned date of exit from the Russian Federation and no later than two (2) days before the date of their subsequent re-entry to the Russian Federation;

2.6.2.3. provide the VSC with the contact information of their closest relatives who the University may contact in case of an emergency.

2.6.3. regularly check their corporate email account on a daily basis;

2.6.4. follow all instructions concerning migration support issued by the Visa Support Centre, as well as other HSE University subdivisions engaged in providing support for international students at HSE University, and respond in a timely manner to notifications and requests sent by the VSC and other subdivisions providing support for international students;

2.6.5. ensure the proper safekeeping of the following documents, as well as ensure that they are not lost or damaged, and always carry such documents on your person:

2.6.5.1. your identification (ID) document;

2.6.5.2. your migration card (if one was issued upon entering the Russian Federation);

2.6.5.3. your registration slip;

2.6.5.4. voluntary health insurance policy covering the entire period of your stay in the Russian Federation;

2.6.5.5. documents confirming that the given international student has duly undergone a mandatory medical examination as well as obligatory state fingerprinting and photographing (hereinafter, the “obligatory procedures”).

3. Migration Registration of International Students

3.1. International students must undergo mandatory migration registration in the following cases:

3.1.1. each instance of crossing the state border of the Russian Federation;

3.1.2. changes in the place of stay (i.e., moving to a hotel, to another dormitory, or to a private apartment, including relocating between different cities/villages/settlements, etc. within the Russian Federation);

3.1.3. changes in information about an international student and/or in case of applying for a new ID document;

3.1.4. obtaining a new visa.

3.2. International students living in student dormitories must contact the relevant Dormitory Supervisor or Passport Officer in order to be registered at the given dormitory on the first working day after the date they checked in to said dormitory, or after the date on which changes were made in their personal data, or after the date on which they received a visa, and in so doing provide the following documents:

3.2.1 the original and a copy of their identification (ID) document as a foreign citizen;

3.2.2. the original and a copy of a duly notarized translation into Russian of their identification (ID) document (if the name field in their passport is not duplicated in Russian, such a translation must be provided at the request of the local Migration Office of the Russian Federation Ministry of Internal Affairs [known by the Russian abbreviation “MVD”], hereinafter referred to as the “MVD Migration Office”);

3.2.3 the original and a copy of their migration card with a notation made by the Russian border control authorities on entry to the Russian Federation, indicating “Study” as the purpose of entry;

3.2.4 the original and a copy of their residency permit (known by the Russian abbreviation “VNZh”) or temporary residency permit (known by the Russian abbreviation

“RVP”), or, if applicable, a temporary residency permit for educational purposes (known by the Russian abbreviation “RVPO”);

3.2.5 the detachable tear-off section of the notification form on the arrival of a foreign citizen (or stateless person) at a new place of stay (hereinafter, the “registration slip”) from their previous place of stay (if applicable).

3.3. The migration registration procedure for international students staying at other, alternative housing accommodations not provided by HSE University is as follows:

3.3.1 when entering the Russian Federation, an international student must enter a notation about their entry to the country via the Migration Registration section in the HSE App X mobile app within one working day;

3.3.2. international students staying at other, alternative housing accommodations must independently make their own arrangements with the owners (landlords) of the relevant premises to undergo migration registration procedures at their place of stay;

3.3.3 the international student or the owner/landlord of the housing accommodations must independently make inquiries with the local MVD Migration Office at the international student’s place of stay to clarify the terms and required documents for undergoing migration registration, as well as the MVD Migration Office’s working hours, contact persons, etc.;

3.3.4 the international student must draw up a formal request for the preparation of a petition for migration registration, or to extend or renew migration registration, and send it to the Visa Support Centre via the HSE University corporate website (portal) at <https://ivisa.hse.ru>. In turn, the VSC will draw up the requested petition within three (3) working days from the date of receipt of the international student’s request. The international student will receive a notification once the petition is ready;

3.3.5 the international student will, together with the owner/landlord of the housing accommodations, submit the required documents to the MVD Migration Office or fill in an application for registration at their place of stay on the Gosuslugi public services website (portal);

3.3.6 the international student will receive the detachable tear-off section of their registration slip, which will be duly stamped to indicate that the student has undergone migration registration on the same day that they submitted their application to the local MVD Migration Office at their place of stay, or will receive an electronic notification bearing an e-signature via the Gosuslugi public services website.

3.4. an international student who is a permanent resident of the Russian Federation (a VNZh holder) and resides in living premises to which they hold legal title (i.e., that they own as their own property) must undergo migration registration independently.

3.5 An international student who undergoes migration registration in accordance with Clauses 3.3–3.4 of these Rules must, within three (3) working days after receiving the detachable tear-off section of their registration slip, which has been duly stamped to indicate that the holder has undergone migration registration, present a copy of the detachable tear-off section of their registration slip and a copy of their migration card to the Visa Support Centre by personally visiting the VSC or through the Migration Registration section of the HSE App X mobile app.

3.6. If the migration registration authorities uncover any instances of the sham migration registration of an international student at their purported place of stay made under

false pretences, the respective international student may be held liable for violating the set rules for carrying out the migration registration of foreign citizens in the Russian Federation.

3.7. If an international student departs from (exits) the Russian Federation, they must make an annotation about their departure from the country within one working day after their departure through the Migration Registration section of the HSE App X mobile app.

3.8. If an international student is living in an HSE University dormitory/accommodation facility but plans to check out of the place of their migration registration, they must notify the given dormitory's authorised staff member in writing of such plans within three (3) working days before their departure and then make a relevant annotation about their departure from the country within one working day after their departure through the Migration Registration section of the HSE App X mobile app.

3.9. If an international student is living in other, alternative housing accommodations not provided by HSE University, the owner/landlord of such accommodations must file the notification of departure independently, while the international student must make a relevant annotation about their location in another country within one working day after their departure through the Migration Registration section of the HSE App X mobile app.

3.10. Effective from September 1, 2026, the migration registration of foreign citizens living in the City of Moscow or the Moscow Region will be carried out through the AMINA mobile app.

4. Completion of the Obligatory Procedures by International Students

4.1. International students entering the Russian Federation (with the exception of those instances provided for under Russian law) must undergo the obligatory procedures.

4.2. After an international student receives the registration slip for their initial migration registration, they must undergo a mandatory medical examination within 30 (thirty) calendar days from the date of their arrival in the Russian Federation and obtain documentation that they have duly undergone such a mandatory medical examination.

4.3. The international student will receive medical certificates about the results of their mandatory medical examination. Such medical certificates will be valid for one year. The international student must undergo a mandatory medical examination on an annual basis.

4.4. Within 30 calendar days before the expiration of previously issued certificates, international students must undergo repeat mandatory medical examination procedures in accordance with the requirements, without accounting for any time that the international student may have been absent from the University for valid reasons. The international student must notify the Visa Support Centre in writing about the reasons for such an absence within two weeks before the expiration of the medical certificates with annexes containing documents confirming the valid reasons, and then agree on the timeframe for undergoing the medical examination on an individual basis.

4.5. The list of specific medical tests and check-ups that are included in medical examinations for international students is determined in accordance with the normative legal acts (regulations) of the Russian Federation Ministry of Health.

4.6. After completing fingerprinting and photographing procedures, international students receive documents confirming the completion of said procedures (hereinafter, the "fingerprint card"). After receiving the results of their medical examination, the international student must personally apply to an authorised organization to provide their medical

documents and undergo mandatory fingerprinting and photographing. The Visa Support Centre maintains records on international students' completion of the obligatory procedures.

The international student should provide scanned copies of the medical documents they received and copies of both sides of their fingerprint card to the VSC no later than one calendar day after their issue by personally visiting the VSC or emailing the copies to visa-registration@hse.ru, or via the Migration Registration section in the HSE App X mobile app. The international student must provide the aforementioned documents, confirming that they have undergone:

- mandatory medical examination on an annual basis;
- fingerprinting and photographing on a one-time basis except in those cases stipulated by current Russian Federation law.

The international student's obligation to undergo the obligatory procedures shall be deemed to have been completed only after the given international student has provided scanned copies of the medical documents received and copies of both sides of their fingerprint card to the VSC.

The international student shall not be permitted to participate in academic mobility programmes and events until they have fulfilled their obligation to undergo the obligatory procedures.

4.7. The international student shall be liable for their failure to perform or untimely (past due) performance of the requirements of federal law for undergoing the obligatory procedures. The timeframe of temporary stay in the Russian Federation of an international student who has not undergone the established procedures or has violated the deadline for undergoing them may be curtailed by the internal affairs authorities (MVD).

5. Renewing or Extending Visas

5.1. An ordinary single-entry educational (study) visa obtained for the purpose of "Study" (in Russian: "учеба") (hereinafter, a "study visa"), issued by a Russian Federation consulate or other diplomatic mission abroad, may be renewed or extended by the issuance of a multi-entry study visa for the respective period of studies in accordance with Russian Federation legislation on education by the local branch of the Russian Federation Ministry of Internal Affairs (hereinafter, the "MVD") for the place of migration registration at the given international student's place of stay for a maximum period of one year per each successive visa issued.

5.2. The procedure for extending the term of validity of a study visa is as follows:

5.2.1. the international student must visit the Visa Support Centre in person to submit the following required set of documents for extending their study visa no later than 45 calendar days before their current study visa expires:

5.2.1.1. a passport valid for at least six months after the expiration of the period of validity of the expected visa and copies of all filled-in pages of the international student's passport;

5.2.1.2. the original and a copy of the migration card indicating the purpose of the visit as "Study" (in Russian: "учеба");

5.2.1.3. the original and a copy of the registration slip with a stamp indicating that migration registration has been completed;

5.2.1.4. a copy of the document indicating the specific grounds for extending the visa: educational agreement drawn up in accordance with HSE University's approved procedures, or a study referral issued by the Russian Federation Ministry of Science and Higher Education

(for those students whose studies are subsidised by federal budget funds earmarked for the quota-based education of foreign citizens);

5.2.1.5. confirmation of payment of the state fee for the issuance, extension, and/or replacement of a multi-entry Russian visa for an international student;

5.2.1.6. two photographs (size: 3x4 cm) taken against a white background;

5.3. The VSC shall prepare the required set of documents and submit them to the respective MVD Migration Office, which in turn will issue the visa within 20 working days from the date of submission of the documents, in accordance with the relevant Russian Federation normative legal acts (regulations).

6. Extending the Timeframe of Temporary Stay of an International Student Who Has Entered the Russian Federation Under the Visa-Free Regime

6.1. The timeframe of temporary stay of international students in the Russian Federation may be extended for the period of the respective students' studies at HSE University.

6.2. Upon entry during their first year of study international students must provide the responsible VSC staff member with a copy of their migration card documenting a new entry to the Russian Federation for the purpose of verifying the data on the timeframe of the period of stay in the Russian Federation.

6.3. International students must, no later than 45 calendar days before the end of the period of their temporary stay in the Russian Federation, provide the respective dormitory Passport Officer (if they are living in housing accommodations) with all documents required for extending the timeframe of the period of temporary stay.

The list of documents includes:

- the original and a copy of the given foreign citizen's identification (ID) document;
- the original and a copy of a duly notarised translation into Russian of the ID document (if the name field in their passport is not duplicated in Russian);
- the original and a copy of their migration card with a notation on entry by the Russian Federation border control authorities;
- the original and a copy of the detachable tear-off section of the notification form on the arrival of a foreign citizen at their place of stay (copy of their most recent registration slip);
- the original and a copy of the document confirming their status as a student and programme of studies;
- the original and a copy of their fingerprint card;
- the original and a copy of certificates confirming that they have undergone the mandatory medical examination.

6.4. If the international student violates the terms stipulated in Clause 6.2 of the Rules, they will receive a notification of new deadlines for providing the documents. If the international student commits a repeat violation of the new deadlines indicated in the notification, they may be subject to disciplinary liability in accordance with the Student Internal Regulations at National Research University Higher School of Economics.

6.5. If the international student receives a migration card independently, they must provide, within one day after receiving it, a scanned copy of their migration card bearing a

stamp on the extension of the timeframe of the period of temporary stay via the Migration Registration section in the HSE App X mobile app.

6.6. International students enrolled in CPD or continuing education programmes (except for international students of International Preparatory Programmes) must independently extend the timeframe of the period of temporary stay in the Russian Federation.

7. Exceptional (Academic) Leave of Absence and Completion of Studies of International Students, Loss of Contact With International Students, or Departure of International Students From the Russian Federation

7.1. An international student who has entered the Russian Federation on the basis of a visa must remain within the Russian Federation while their documents submitted for a period of stay extension (or visa renewal) are under review.

7.2. An international student, regardless of how they entered the Russian Federation, must leave the Russian Federation in the following circumstances:

7.2.1. during the period of an exceptional leave of absence (hereinafter, “academic leave”) or other type of leave, they must depart the Russian Federation within three (3) calendar days from the date of publication of the respective leave directive;

7.2.2. if their studies have been completed (or suspended), they must depart the Russian Federation within three (3) calendar days from the date of publication of the respective directive;

7.2.3. if their visa extension application is denied, they must depart the Russian Federation no later than the expiration date of their period of temporary stay, with the exception of those cases provided for by Russian Federation legislation;

7.3. Exceptions shall include those cases when an international student holds a temporary residency permit (RVP) or residency permit (VNZh) in the Russian Federation, as well as in those cases when the international student undergoes medical treatment within the Russian Federation provided that relevant confirmation is available.

7.4. The international student shall be deemed to have not arrived at HSE University if the period of their non-arrival is determined as follows:

7.4.1. with respect to a foreign citizen who has failed to arrive at their place of studies without a valid reason and who cannot be contacted, the fact of their non-arrival shall be established upon the expiration of 30 calendar days from the commencement date of their studies under the relevant degree programme or from the date of publication of the executive directive on the given foreign citizen’s admission to studies if it was published after the commencement date of studies under the relevant degree programme;

7.4.2. with respect to a foreign citizen who has given HSE University preliminary notification of the anticipated date of their arrival in the Russian Federation, the fact of non-arrival shall be determined upon the expiration of 10 working days following their anticipated date of arrival.

7.5. Contact with a given international student is deemed to have been lost if the international student is absent from the place of studies or has not gotten in touch or made contact with and does not respond to communications sent by the Visa Support Centre/Degree

Programme Office within seven (7) calendar days. In this case, HSE University will notify the respective MVD Migration Office that it has lost contact with the international student.

8. Other Terms and Conditions

8.1. International students must comply with the requirements of the Rules and relevant HSE University bylaws. International students found to have committed violations of the obligations stipulated in the HSE University Charter, the HSE Internal Regulations, or Russian Federation migration legislation may be held liable and subject to disciplinary measures, up to and including expulsion.
