INTERNATIONAL SCHOOL OF MEDICINE, ZHEJIANG UNIVERSITY (ZJU-ISM)

The International School of Medicine, Zhejiang University (hereinafter referred to as ZJU-ISM) was established in response to global trends in medical development. It is jointly built by Zhejiang University and the Yiwu Government, operating as a directly affiliated institution of Zhejiang University with full academic and administrative management by the university, and formal approval from the Chinese Ministry of Education. The inaugural dean is Professor Huang Hefeng, an academican of the Chinese Academy of Sciences and an honorary fellow of the Royal College of Obstetricians and Gynaecologists (RCOG), UK. <https://ism.zju.edu.cn/>

INTERNATIONAL BUSINESS SCHOOL (ZIBS)

Amid the new wave of globalization, ZIBS upholds its "5i" philosophy—International, Interdisciplinary, Innovative, Inclusive and Integrative. It consistently advances exchanges and mutual learning among global business civilizations, fosters in-depth integration of industrial and technological innovation, and commits itself to cultivating top-tier interdisciplinary innovative talents endowed with global leadership competence. <https://zibs.zju.edu.cn/enzibs/main.htm>

ZHEJIANG UNIVERSITY - UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN INSTITUTE (ZJUI)

The Zhejiang University-University of Illinois Urbana-Champaign Institute (the ZJU-UIUC Institute or ZJUI) is a jointly operated engineering college on the Zhejiang University (ZJU) International Campus in Haining, China. The institute is officially approved by Chinese Ministry of Education in February 2016. By introducing top engineering curricula and resources from UIUC, complemented with support from colleges and departments from ZJU, ZJUI provides a world-class engineering education. Committed to educating innovators in engineering and leaders of tomorrow, ZJUI strives to build a global engineering education and research system featuring interdisciplinary convergence. <https://zjui.intl.zju.edu.cn/>

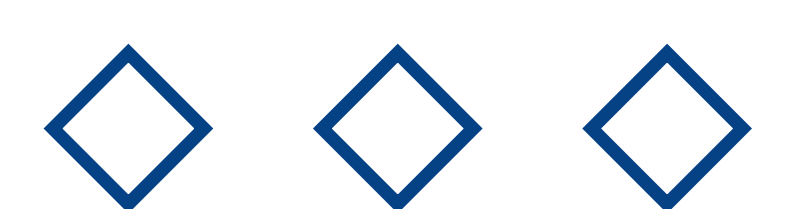

Among the 41 schools and departments under the 7 faculties, the majority are located on the Zijingang and Yuquan campuses in Hangzhou. However, please note that three schools are situated outside the main Hangzhou campuses:

- International School of Medicine, Zhejiang University (ZJU-ISM) – located in Yiwu (130 km from Hangzhou and 300 km from Shanghai);
- International Business School (ZIBS) & Zhejiang University - University of Illinois Urbana-Champaign Institute (ZJUI) – located on the Haining Campus (conveniently situated between Shanghai and Hangzhou).

Exchange at ZJU

Exchange Programs

Undergraduate Program

- Students are affiliated to one of undergraduate faculties or schools and take undergraduate-level courses with Zhejiang University students.
- Students admitted in this program with advanced level of Chinese language (e.g. HSK 5 or above) could also take courses on Chinese language and courses on Survey of China (both courses include 48 teaching hours per semester).

Graduate Program

- Students are affiliated to one of graduate schools and take graduate-level courses with Zhejiang University students.
- Students admitted in this program could also take courses on Chinese language (32 teaching hours per semester) and courses on Survey of China (48 teaching hours per semester).
- ZJU-ISM and ZJUI do NOT accept graduate-level exchange students.

Chinese Language Program

- ZJU offers intensive courses on Chinese language and culture at different levels for international students. Students are to be placed in classes that suit them the best by taking a class placement test. The intensive Chinese language and culture program includes courses of reading, listening, practical conversation and writing. Students could take no more than 2 elective courses on Chinese society and culture per semester.
- This is a non-credit program. A Certificate of Completion will be issued upon successful completion of the program.
