INTERNATIONAL STUDENT GUIDE 2022

INSTITUTO TECNOLÓGICO AUTÓNOMO DE MÉXICO

Housing

Housing is independent from ITAM. However, we do have information about student residences within walking distance from ITAM where most exchange students stay. We recommend these options, in terms of price and location and prior student experience. We will send you the information on the month prior to your arrival after we update our database (availability and prices). This information will only be sent to you if you state so in your on-line process.

IMPORTANT DATES

[ITAM Undergraduate Calendar 2023](#)

Mandatory Orientation Session:

August, 4th 2023

We recommend you to be here 2 or 3 days earlier.

Classes start on:

August, 7th 2023

Classes end on:

November, 29th 2023

Last day of exams:

December, 16th 2023
