Language Requirements	<p>Although students are not required a specific level of proficiency in Portuguese language, all exchange students must take a placement test in order to confirm his/her knowledge of Portuguese on the first day of classes.</p> <p>All exchange students are required to take the Portuguese course during regular academic term even if they apply to classes taught in English.</p> <p>Students also have the opportunity to take an Intensive Portuguese as a Second Language course before the regular semester begins, although this course is not mandatory.</p>
Pre-Term Portuguese as a Second Language Intensive Course	<p>Pre-Term Portuguese as a Second Language Intensive Course, held before the regular semester, will not be included in the student's transcript even if he/she enrolls in the regular semester. Instead, students who take the Pre-Term Portuguese as a Second Language Intensive Course will receive a certificate of completion indicating the course date, student's grade and level of Portuguese taken.</p> <p>The Portuguese language courses are offered at five different levels: from very basic to the advanced levels.</p> <p>Each student will take a placement test to confirm his/her exact knowledge of Portuguese. This course aims to develop the student's written and oral skills in Portuguese, preparing international students to attend regular courses at the university during the subsequent academic terms.</p> <p>http://www.puc-rio.br/ensinopesq/ccci/incoming/portuguese.</p>
Courses in English	<p>The courses taught in English have an undergraduate content in different areas.</p> <p>These courses are subject to academic planning.</p> <p>Along with the courses in English, international students must attend Portuguese as a Second Language class during their academic semester, as well as any other courses in Portuguese recommended by the coordinator.</p> <p>No English level is required to attend the courses taught in English. Although an intermediate level (B1) or upper proficiency is recommendable.</p> <p>http://www.puc-rio.br/ensinopesq/ccci/incoming/study_english_puc.html</p>
Information about Courses	<p>Classes and relevant course information are listed on the "<i>Horário das Disciplinas</i>" at http://www.puc-rio.br/microhorario/.</p> <p>It is also possible to request the class syllabus by sending a message directly to the Department.</p> <p>The email address for contacting each academic department can be found at http://www.puc-rio.br/sobrepucc/depto/</p>
Required Student's workload per semester (PUC-Rio credits)	<p>Exchange students must take a minimum of 2 classes (8 credits) and a maximum of 5 classes (24 credits) including the mandatory Portuguese as a second language course for who is not proficient in Portuguese.</p>
Grading System	<p>Grades range from minimum 0 (zero) to maximum 10 (ten). 5 (five) is the minimum passing grade for undergraduate students and 6 (six) for graduate students.</p>

Credits System	1 credit = 1 class hour/week of lecture class or 2 hours laboratory class/week or 3 hours of exercise class/week, considered standard term of 15 weeks.
Support for Disabilities	<p>We assist students with special needs through our work closely with the Center for People with Disabilities – NAIPD. http://www.puc-rio.br/sobrepucc/admin/vrac/rae/</p> <p>The NAIPD works directly with the CVI (Central of Independent Life).</p> <p>In case of students with learning disabilities, we have to contact their professor to inform their necessity. We can also help the students that need some extra time to take test, or exams or different kind of computer program etc.</p> <p>We cannot provide a Note Taker, but we can help the student to find a volunteer colleague to help him/her in this matter.</p>
Internship	Exchange students are able to do internship in Rio de Janeiro. However, they need to be studying at PUC-Rio and we strongly recommend them to inform CCCI as well as CCESP (Internship Coordination Office) concerning this matter. Please contact the Incoming Coordination: incoming@puc-rio.br
