

College of Business and Economics (CBE)

Founded in 1977, the CBE at the UAE University (UAEU) was the first institution in the UAE and the region to be accredited by AACSB International in 2000. CBE is recognized for its outstanding business education, characterized by rigorous, high-quality programs and a distinguished faculty. It has firmly established itself as a leading institution in business education both within the UAE and beyond.

Vision

Recognized by the local and international stakeholders as business school of reference in high quality research and education.

Mission

To provide student-centered market relevant education, while creating and disseminating new impactful knowledge and successful practices, promoting sustainability, entrepreneurship, and engagement with the community and the world.
